Note to coaches and team managers:

We are glad all your teams are participating in our tournament, and appreciate your patience and understanding.

We spaced out the games, so all teams had a chance to rest between games, and have an adequate night's sleep. Younger teams play earlier in the day, and older teams play later at night. We were as fair as we could be, considering one sheet of ice, and the amount of teams in the tournament. Thanks again for your understanding, and your respect for your competition..

Thanks to all the Teams.

Let's play hockey!
